

ICCIC-2020

International Conference on Contemporary Issues in Computing

Organized by The Electro Inventor, Saraju Villa, 5A Khalisa Kota Pally Birati, Kolkata-700051, India
On 21st- 22nd March 2020.

***** CALL FOR PAPERS *****

SPECIAL SESSION ON Internet of Things (IoT)

SESSION ORGANIZERS:

Dr. Mahesh B Dembrani, Assistant Professor, E&TC Engineering Department,
Mr. Ravindra D Badgular, Assistant Professor, E&TC Engineering Department,
R C Patel Institute of Technology, Shirpur.
mahesh.dembrani@gmail.com, ravindrabadgular12683@gmail.com

SESSION DESCRIPTION:

Driven by connected low-cost sensing and actuation and the large host of scientifically and economically relevant application scenarios that they enable, the Internet of Things has become a central research area with a broad reach across many fields in information technology and adjacent domains.

In this era, sensors and other types of sensing devices, wired and wireless networks, platforms and tools, data processing/visualization/analysis and integration engines, and other components of traditional IoT are interconnected through innovative services to realize the value of connected things, people, and virtual Internet spaces. The way of building new IoT applications is changing.

The special session on Internet of Things (IoT) of this international conference has become the premier gathering place where visionary, ground-breaking research in the IoT field meets leading industry experts.

RECOMMENDED TOPICS:

Topics to be discussed in this special session include (but are not limited to) the following:

- Internet of Things Architecture
- Novel IoT Interactions
- Web Technologies for the IoT
- IoT for Telemedicine
- IoT for Industrial Application
- IoT for Health Care
- IoT for Smart Cities
- IoT Economics and Business Models
- Green by Internet of Things
- IoT and Social benefits/impact

- IoT and Data Management
- Security and privacy of IoT
- Reliability of IoT
- Disaster recovery in IoT
- Big data and IoT
- Self-organizing IoT
- Cloud Computing and IoT
- IoT and sustainable Growth

SUBMISSION PROCEDURE:

Researchers and practitioners are invited to submit papers for this special theme session on **Internet of Things (IoT) on or before December 31, 2019**. All submissions must be original and may not be under review by another publication. INTERESTED AUTHORS SHOULD CONSULT THE CONFERENCE'S GUIDELINES FOR MANUSCRIPT PREPARATION at <http://iccicstm.com/guide.php> and SUBMISSIONS at <http://iccicstm.com/papersub.php>. All submitted papers will be reviewed on a double-blind, peer review basis.

NOTE: While submitting paper in this special session, please specify **Internet of Things (IoT)** at the top (above paper title) of the first page of your paper.
